INTERNATIONAL ACAC
INTERNATIONAL ASSOCIATION FOR COLLEGE ADMISSION COUNSELING

2027 International ACAC Membership Dues Waiver Application
Agreement of Institutional Support

We encourage members to take advantage of the various professional development opportunities available through webinars, regional institutes, the annual conference, online resources, and the general networking and camaraderie that comes with a professional membership totaling over 4,400 people worldwide with similar agendas, to prepare students for and promote the transition from secondary education to higher education.

In order to be eligible for an International ACAC membership due waiver each candidate must agree to remain in positive standing within our organization, and also demonstrate the support of their institution (or another International ACAC member if self-employed):
