October 2024

VP of Communications
Luke Devlin

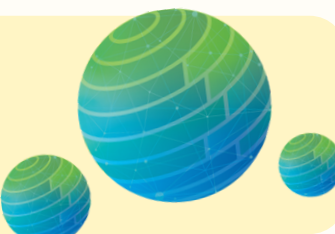

WHO is International ACAC

Learn more about Int'l ACAC

- *Happy 32 Years!* Founded in 1992
- Volunteer Based, non-profit organization supported by a headquarters team of 3 full-time staff members, under the direction of the Executive Board, including a special project coordinator.
- Affiliate of the National Association for College Admission Counseling
- Specializing in the counseling of students looking to cross borders for undergraduate studies
- Promoting professional development of peers, networking, and the ethical treatment of students in the admission process
- Major In-Person Events: Annual Conference and Regional Institutes

Membership Benefits

- 1** Access to the 3,600+ member directory, including university admissions representatives and college counseling professionals from 135+ countries.
- 2** Benefit from the closed Facebook group for members only; ask questions, engage in dialogue, and foster a sense of community.
- 3** Expand your career through professional development.
- 4** Attend and access previous webinars led by university admissions and college counseling experts from around the world.
- 5** Benefit from continued advocacy, resources, and support for every member.
- 6** Member grant programs offer financial resources directly to members in order to access professional development opportunities or create projects in their own communities.
- 7** Programs such as the Mentor Year Program and the Scholar Program offer personalized professional mentorship and development opportunities.
- 8** Conference bursaries are funds set aside for members to receive financial support to attend the Annual Conference.

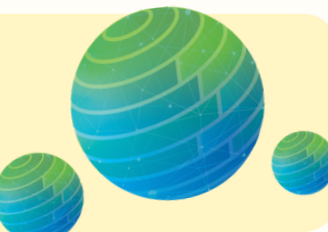

Learn more about Int'l ACAC

International ACAC Regional Institutes

- Brings the unique International ACAC experience and support to those who may not be able to attend the annual conference.
- Offers professional development for members who support secondary students globally.
- Gives regional university representatives on-site professional exposure to the geographical areas they serve.
- Fosters and initiates customized and ongoing support for professionals in underserved areas where access to high-quality support and professional development is limited.
