On-Campus Housing Information

To register for on-campus housing, you must submit a separate form, in addition to your conference registration. This will create a separate invoice for payment.

Space is limited. Registration for housing is available until capacity is reached or June 18, whichever comes first.

There is **one option remaining** for on-campus housing:

Residence Hall Suite

- \$150 USD per night, including breakfast
- Your room is private; your bathroom is shared with 1-2 other attendees.
 - You will have the opportunity to request a specific suite-mate or a preferred gender for your suite-mate.
- Various locations, each a closer distance to conference events than the Single Room option above.
 - There will be a shuttle available for certain Residence Halls.

Please remember that on-campus housing is not a hotel. Your room will have a twin-sized bed and basic amenities. The housing desks will be managed by students.

Included in On-Campus Housing:

- Linens (sheets, pillow case, light blanket)
- Pillow
- Towel

- Breakfast*

NOT Included in On-Campus Housing:
